

## **School Club Program Descriptions**

Please Note: The number of projects you will complete, as outlined in the descriptions below, are based on an 8-week session. Longer or shorter sessions are available.

***If you Loved a theme from last year, don't worry! We have all new projects!***

### **1. \*NEW\* DIY Hand-Sewn Little Miss or Mr. Man Stuffy**

Little Miss Chatterbox is known for talking a lot, and Mr. Happy is known for always smiling and spreading joy! In this NEW Designer Co. program, we explore the Little Miss and Mr. Man series of books and you will get to create a Little Miss or Mr. Man that is unique, fun to play with, and totally you! You will learn the skills for hand sewing and create the template for your very own Little Miss or Mr. Man. We will supply you with the materials and you will bring your creativity! In this 8-week program you will be creating 1 detailed Stuffie.

### **2. \*NEW\* DIY Superhero Kit**

Do you dream of having super powers? Flying high in the sky or reading people's minds, in this NEW Designer Co. program you will create your own Superhero persona by making a DIY Superhero Kit! Hide your secret identity with a mask, create a utility belt, a cape and more! At the end of the term, you will get to take home your completed kit!

### **3. \*NEW\* DIY Fashion Backpack**

Create a carry-all that is fun, functional and totally your style! In this NEW Designer Co. program you will learn how to create patterns and make your very own backpack! If you think you have what it takes to become Toronto's Next Top Bag Designer, then join us for DIY Fashion Backpack. We will supply all the materials and teach you how to create all the elements that are used to make a backpack.

### **4. \*UPDATED\* DIY Mashup**

DIY Mashup is the perfect introduction to Designer Co.'s DIY school programs. Through the session you will get to create awesome projects from different themes to give you a taste of the programs we offer. The projects that we include in this program are more intricate and require 2 weeks to complete. We will use a variety of materials such as felt, duct tape, cardstock, beads and wire to create projects from different themes. Through making these projects you will learn the skills and techniques for hand sewing, drawing, paper craft, and jewelry making.

Please Choose 4 Themes for Your Mashup (To be chosen by the school)

- DIY Duct Tape
- DIY Puppets
- DIY Fashion
- DIY Stationery
- DIY Emojis
- DIY Fashion
- DIY Mini Stuffie
- DIY Jewelry

## **School Club Program Descriptions**

### **5. \*NEW\* DIY Quilted Pillow**

Add a personal touch to any room! In this NEW Designer Co. program, we will teach you all about textiles and design when you make a DIY Quilted Pillow. Each square on a quilt represents something meaningful to the creator. On your pillow, you will learn how to design 4-6 patches that will be sewn together to make 1 stylish pillow!

### **6. \*NEW\* DIY Stationery**

A handmade card is the best kind of card! Be prepared for any occasion with this NEW Designer Co. DIY Stationery program. Over the course of the term you will learn how to make cards and gifts using materials such as paper, lights, foam and more!

### **7. \*UPDATED\* DIY Jewelry**

Become an expert in our Designer Co. DIY Jewelry program! We are now offering 2 different jewelry programs where we further your Jewelry making skills by refining your fine motor skills, dexterity, creativity, and imagination! You will learn how to use jewelry pliers and a wide variety of different materials to design jewelry as unique as you!

*\*Each jewelry program may only be offered once per year\**

#### **DIY Jewelry Collection**

In this Designer Co. course you will create your own jewelry line, just like a real jewelry Designer! Whether your taste is pearls, gem stones or beads we will provide all of the materials and teach you the skill to become a jewelry making maven!

#### **DIY Custom Charm Bracelet OR Backpack Charm Keychain**

This Designer Co. program focuses on creating 1 stunning bracelet or keychain with 4-6 charms designed by you! These custom charms will be drawn by you onto specialty paper which, when heated shrinks down to small plastic charms that will be added to your bracelet or keychain over the course of the term.

### **8. \*UPDATED\* DIY Fashion**

This program is ideal for the aspiring fashion designer! In this Designer Co. DIY Fashion program, you will snip, stitch and craft your way to wearable fashion accessories which are season appropriate! Over the course of 8 classes you will create 6-8 stylish & trendy pieces to add to your wardrobe.

#### **Cozy Fall/Winter Fashion (Can be offered in the Fall OR Winter Term)**

This term will be focused on creating Fall/Winter appropriate fashion accessories that will keep you warm in the chilly weather.

#### **Colourful Spring Fashion (Can be offered in the Spring Term Only)**

This term will be focused on creating fashion accessories appropriate for warmer weather.

### **9. DIY Emojis**

Everyone at Designer Co. knows the smiley face, winky face, and kissy faces are all the rage! In this program, you will use a variety of materials and techniques to create Emoji themed projects! Some key skills and principles that you will learn are hand sewing, drawing, pattern making and how to use jewelry pliers and use materials such as felt, cardstock and duct tape.
